

Flora and Fauna Guarantee Act 1988

The **Flora and Fauna Guarantee Act 1988** enables members of the public to nominate species, communities and potentially threatening processes for listing under the Act. Nominations under the Act are considered by a Scientific Advisory Committee, which makes recommendations to the Minister.

The Committee has made a number of final and preliminary recommendations. A brief Recommendation Report has been prepared for each final or preliminary recommendation. Copies of the reports can be obtained from the Head Office and major country offices of the Department of Sustainability and Environment (DSE). The **Flora and Fauna Guarantee Act 1988** and the Flora and Fauna Guarantee Regulations 2001 can be viewed at these offices.

Recommendations of the Scientific Advisory Committee

The Scientific Advisory Committee has made final recommendations on the evidence available, in accordance with Section 15 of the Act, that the nominations for listing of the following items be supported in accordance with Section 11 of the **Flora and Fauna Guarantee Act 1988**.
